Food Safety Training

This course meets the requirements set by your local District or City Council

Our **Unit 167** which Practice's Food Safety methods in a Food Business Under Supervision
Self-paced course means you can do the learning at home at your own pace, with help from us if necessary.
Contact us to find out more about this option.

For supervisors we offer **Unit 168** - Food Contamination Hazards & Control Methods used in a Food Business. (Self-paced only).

Half Day 167 class will be held at Petone or Wellington.
Wairarapa self paced only
Can also arrange in house training please enquire

Licence Controller Qualification (LCQ)

This course meets the requirements set by the District Licensing Committee, for people who wish to apply for their Managers Certificate.

This one day course covers **NZQA Units 4646 & 16705** - on the Sale and Supply of Alcohol Act 2012 and Host Responsibility.

A fun and interactive course covering all learning styles. Morning and afternoon tea provided.

We can also offer this training via our self-paced option, meaning you can do the learning at home at your own pace, with help from us if necessary.
Contact us to find out more about this option.

Things you should know —People with criminal convictions should check with the Licensing Inspector at their Council before enrolling on our LCQ course if they intend applying for a Manager's Certificate because certain criminal convictions can be a reason a Manager's Certificate application is declined by the District Licensing Committee (DLC).

Anyone aged 16+ can do the LCQ course but must be 20+ to apply for a Manager's Certificate.

Successfully completing our LCQ course and obtaining your LCQ Certificate **does not** necessarily mean that you will be granted a Managers Certificate by the DLC.

Contact your local council for the requirements to apply for a Manager's Certificate or look on your council's website for information.
